CRAFTED CABINETRY AND MILLWORK

Shinnoki Slab Doors

A slab door cut from Shinnoki pre-finished veneer panel. Real wood veneer, brushed, stained and lacquered at the factory in Belgium, then cut to your sizes here. We do not manufacture the panel.

CONSTRUCTION

Thickness	3/4″ (19 mm)
Core	18 mm MDF, NAF and CARB II compliant
Faces	0.6 mm veneer on the show face, B+ veneer back
Finish	Six-layer UV-cured urethane, 2% super-matt. Cannot be re-sanded, and needs no finishing
Grain	Mixmatch — randomly jointed, so no two doors are identical
Timber	FSC certified. Interior use only

ORDERING

- Made to your sizes, to the sixteenth of an inch. Enter them on the product page and the price updates as you type.
- Rates above are per square foot. A per-door charge for cutting and edge banding is added at checkout.
- Doors bill at a 2 square foot minimum, drawer fronts at 1 — per piece, not per order.
- Hinge boring available. 35 mm cup, 12 mm deep, 3 mm from the back edge. Doors 42″ and over take a third bore.
- **No finishing option** — the panel arrives finished and cannot be re-sanded.
- One door is an order. No minimum quantity, no minimum dollar amount.

> A two-sided panel (Shinnoki Exclusive) can be special ordered in any of the 18 colours on roughly a four-month lead time. Ask first if both sides of the door will be seen.

Colours shown are indicative, not photographs of the material. Order a sample before you commit to a run.
